Type of Expense: **Yearly**

Expense: **Leadr**

Importance: **High**

Amount: _____

Business Case:

- **Improved Meeting Efficiency:** Leadr helps streamline meeting preparation by offering templates and agendas, reducing time spent on planning and allowing for more focused discussions.

- **Enhanced Team Engagement**: With built-in features for real-time feedback and goal tracking, Leadr keeps team members engaged and ensures that their voices are heard, leading to a more motivated and cohesive team.

- **Clear Accountability:** Leadr tracks action items and assigns responsibilities during meetings, which helps ensure that everyone is clear on their tasks and deadlines, reducing follow-up work and misunderstandings

- **Data-Driven Insights:** The platform provides analytics on team performance and meeting outcomes, allowing you to make informed decisions about team management and to identify areas for improvement.

- **Supports Development and Growth:** Leadr's focus on people development allows you to keep track of individual goals and career progress, helping you invest in your team's growth and retain top talent.

By implementing Leadr, I can **facilitate more productive meetings**, foster a **positive team culture**, and **effectively drive team and individual performance**
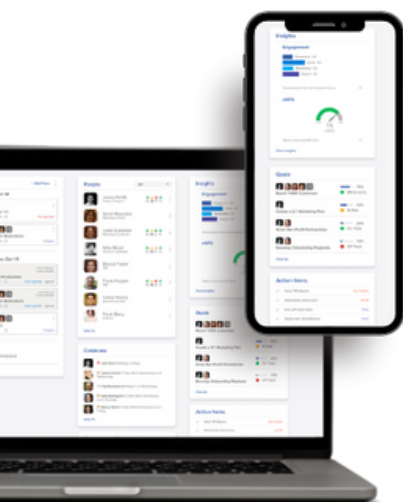

With Leadr you'll:

- **Enhance meeting productivity**
- **Add action items and assign them to team members.**
- **Create clarity within teams**
- **Set clear follow up tasks**
